

21st March 2018

Dear Parents,

Y2 School Bee Observatory Visit – Friday 4th May 2018

A visit has been organised for Year 2 on Friday 4th May. It is an exciting opportunity to learn the importance of the honey bee and its influential position in our environment. The children will also be granted the tremendous experience of being a real life bee-keeper! This should be a once-in-a-lifetime visit!

The cost of the visit will be **£14.00** per child, which covers the entrance fee to the Bee Observatory and transportation to Peterborough.

We will be leaving school at 8.45am and expect to return by approximately 1.30pm.

School visits are encouraged to explain and demonstrate the workings of a bee hive and how important these insects are to the environment. All children should wear School Tracksuits as long sleeve tops and trousers must be worn. They will be provided with a packed lunch and drink but you may want to give them an extra drink for the day. No snacks will be necessary as they will be having an early lunch.

It would not be sensible to attend the visit if a child is subject to severe allergic reactions. It is safe but we need to be aware of the risks.

Please return the slip below and the 'Kids Country' Parental Consent Form (attached) to the School Office. Payment must be received before Wednesday 29th March 2018 so the booking can be confirmed.

Our preferred method of payment is via BACS:

Sorting Code: 30-67-76
Account number: 47425868

Yours sincerely,

Mr Mytton
Year 2 Teacher
